RESPECTisms Questions Guidance

Use these questions to start a friendly conversation with your child or class. Listen to their thoughts and let them share their ideas. There are no right or wrong answers. After they give their answer, try asking:

“Why do you think that?”

This helps them talk more and think more deeply.

1

What happened to Chloe's tower when she moved the paper?

2

What could Chloe think about before moving the paper next time?

3

Can you think of a time when something you did caused something else to happen?

Good Choices. Stronger You. Brighter Tomorrows.
