RESPECTisms Questions Guidance

Use these questions to start a **friendly conversation** with your child or class.
Listen to their thoughts and let them share their ideas. There are no right or wrong answers.
After they give their answer, try asking: **"Why do you think that?"**
This helps them talk more and think more deeply.

1

How did asking questions
help Emily learn about
what she found?

2

What else could Emily do
to find out more about
the acorn?

3

What is something you
would like to learn
more about?

Kind Choices. Brighter Tomorrows.
