RESPECTisms Questions Guidance

Use these questions to start a **friendly conversation** with your child or class. Listen to their thoughts and let them share their ideas. There are no right or wrong answers. After they give their answer, try asking:

"Why do you think that?"

This helps them talk more and think more deeply.

1

Why did Ethan think he couldn't fly his kite after his first try?

2

How do you think Ethan felt when he gave it another try and the kite flew?

3

What is something you could try again if it didn't work the first time?

Good Choices. Stronger You. Brighter Tomorrows.
