RESPECTisms Questions Guidance

Use these questions to start a **friendly conversation** with your child or class. Listen to their thoughts and let them share their ideas. There are no right or wrong answers. After they give their answer, try asking:

"Why do you think that?"

This helps them talk more and think more deeply.

Grow

1

Why did Theo need to be on time?

Just
ten more
minutes!

2

How do you think Theo felt when he realised he might be late?

3

What could you do to help you be ready on time for the things that are important to you?

Good Choices. Stronger You. Brighter Tomorrows.
